**NOTICE OF UNITED STATES POSTAL SERVICE OF FILING SUPPLEMENTAL  
MATERIALS FOR FUNCTIONAL EQUIVALENCE COMPARISON**  
(November 20, 2013)

This notice concerns the inbound portion of a bilateral agreement with Canada Post Corporation (“Canada Post” or “CPC”), which is replacing the agreement reviewed by the Commission in PRC Docket No. R2012-5. The Postal Service filed its Notice of Type 2 Rate Adjustment and Notice of Filing Functionally Equivalent Agreement on Friday, November 15, 2013. The Postal Service now provides notice that it is filing with the Commission a table demonstrating the differences between the bilateral agreement reviewed by the Commission in Docket No. R2012-5 and the one submitted to the Commission in this docket. The chart is provided in an effort to facilitate the Commission’s work of comparing the two documents for functional equivalence purposes. The table is filed with this notice as Attachment 1.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
